

## **Head Coach Swimming**

### **Background:**

We are looking for highly motivated Coaching Leader to lead and develop an exciting and high growth potential Swimming programme in India.

This position will be based at the Inspire Institute of Sport (IIS) in Vidyanagar, Karnataka.

The facilities include a 25m outdoor facility, accommodation for athletes and staff, cafeteria, fully equipped gym and sports science centre. A new 50m pool is scheduled for completion in August 2023. The facility is privately owned and therefore lane space will not be an issue.

This is a start-up programme. Selection trials will be held for swimmers to be included in the programme. The trials and selection will be overseen by the successful candidate.

The opportunity to make a marked impact in the growing landscape of Indian Sport is very high.

The ideal candidate is a coach with international level experience and has a proven track record of developing age group athletes into senior level athletes.

### **Qualifications/Requirements:**

- Swimming coaching qualification in your home country or recognised International coaching qualification
- Proven coaching experience working with high-level swimming
- Proven ability to lead a team of coaches
- Experience working in a multi-disciplinary team.
- Experience working with children and teenagers
- Excellent verbal and written communication skills
- Computer literate
- Ability to communicate effectively with swimmers, parents, and coaches
- No criminal record

Remuneration: Highly competitive and to be negotiated with the successful candidate.

Note: This is a full time role based in India.

To apply for this role or to have a confidential discussion, please send a covering letter and an updated resume including two references to Rushdee Warley on [Rushdee.warley@inspireinstituteofsport.com](mailto:Rushdee.warley@inspireinstituteofsport.com).

Applications close: 10 Feb 2023. We reserve the right to close applications earlier and screening will begin immediately.
